

# U-KIOSK

## Info at your fingertips

Thru reducing everything to the bare necessities, we've achieved the minimalist design of the Brussels 19. The kiosk's 6 cm slim enclosure features a magnificent 19 inch display with interactive touch screen functionality.

Designed for 24/7 operation, ITS Brussels kiosks are highly reliable and responsive. We build our products with high performance and reliable technology.

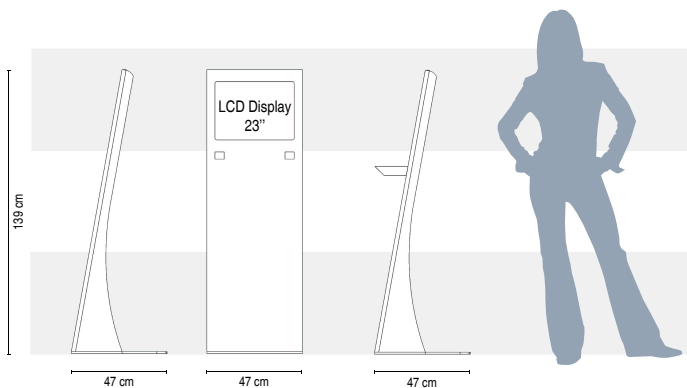

If you're looking for a great cost-effective multimedia tool consider our Brussels kiosks. With its refined, yet subtle design, outstanding performance, and superior flexibility, this unit is a reliable platform for your kiosk.
